AMENDMENT

Please enter the following amendment and remarks prior to examination of the claimed subject matter.

In the Claims

Please cancel claims 10-23, and 25-27 without prejudice or disclaimer of the subject matter claimed therein.

Please add the following new claims:

46. (New) A method of removing amyloid deposits in a patient comprising administering to the patient an immunoglobulin polypeptide or fragment thereof in an amount effective to remove amyloid deposits, wherein the immunoglobulin polypeptide or fragment thereof binds to a non-light chain amyloid fibril.

47. (New) A method of claim 46, wherein the immunoglobulin polypeptide or fragment thereof is humanized.
